

PRAYER²GETHER

With coffee and refreshments as a part of the evening (whenever you want) it would be good to spend this evening in prayer and worship together as a cell group. It would be good to pray for each other, the life and ministry of the church, and other important world issues.

Run this evening in whatever way you want to. Perhaps reflect on a favourite Psalm, or listen to a couple of songs from a worship cd to fix your eyes on the Lord, then worship him together. Then begin praying for each other etc.

You may want to vary whether it is done in a large group or in small groups—which ever works best for your group.

You might want to ask different people to organise different sections too.

Just be creative, keep things moving and be informal!
